

QUICK SETUP

Model : TX-SR505/TX-SR8550

Thank you for purchasing this product.
This quick setup sheet shows the typical hookup method for connecting speakers and AV components (DVD player, TV, cable/satellite receiver).
For more detailed hookup information and operating instructions, please see the Instruction Manual.

First of all,
turn on speaker set A.

Press the SPEAKERS [A] button on the front panel. Make sure that speaker indicator A is shown on the display.

Turn off speaker set B when not in use. Indicator should be off.
